GREAT AMERICAN GROUP PURCHASES HAWKINS & POWERS

CHICAGO, IL. – September 14, 2005 – **Great American Group** is pleased to announce the recent purchase of **Hawkins & Powers Aviation, Inc.**

Details:

As a major aerial tanker, transport, and charter firm for over 50 years, H&P of Greybull, Wyoming has amassed an impressive fleet of more than 60 airplanes including helicopters and many vintage aircraft. Coupled with aviation machinery and equipment, thousands of spare parts, engines, prop groups, gear boxes, avionics, etc. - the complete liquidation of H&P is yet another notable aviation transaction for Great American Group.

A leader in the asset management industry, Great American Group has performed liquidations, auctions, and appraisals for the country's largest retailers, distributors, manufacturers, and healthcare facilities. With experience in a breadth of industry specialties from aviation to wholesale inventory, Great American Group has assisted clients large and small in asset valuations and dispositions.
